REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

Per claims 1-14, the claims are allowed for the reasons provided in applicants Remarks received by the Office on March 14, 2005.

Per claim 16, while it is known in the art to recycle methane and carbon dioxide to control pH in a process having a plurality of phases (see, for example, US Pat No 4,696,746 to Ghosh et al.), in the examiner's opinion, the prior art fails to teach or fairly suggest successive phases in a single digester with the pH of each of the phases controlled.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
